-Riskin says that all rates of interest or modes of profit on capital which render possible the rapid accutification of fortunes, are simply forms of taxation, by individuals, on labor, purchase of transport; and are highly detrimental to the national interests, being, indeed, in means of national gain, but only the abstraction of smoll gains from many to form the large gain of one.

-There died at Valley Forge, Pa., on Saturday last, an old woman, known as Grandmonther Posey, the widow of a Revolutionary soldier, at the advanced age of one hundred and two years. Sho remembered the Bevolution well. She was followed to the grave by gray-haired descendants, and was the nancestress of ien children, eighty-one grandchildren, one hundred and nineteen great-grandchildren, thirty-three great-great-grandchildren, thirty-three great-great-grandchildren, and five great-great-grandchildren, who was hanged at Luckhaw for having shot and killed Bombardier Wall, made a strange contestion, on the day of the nutrider he had been led by the kindness of his friends, to drink to excess, 'I must have been at roll-call, though I do not receiblect it; and the iris thing I do recollect, after lexy the canteen when it was closed, was finding nayorlar the cot of Corporal Wall, will at earline in new hand. I cannot tell whether Corporal Wall was adeep or awake. It was then, as in a moment, one of the shelies and the results of these is besides a prophetess, and the real sagent many the close of the collect it; and the real sagent many through the order of the collect it; and the sagent many through the form of the collect it; and the sagent many through the sa Permanent Ranges.

stances of having been at Corporal Wall's cat thashed upon me, ""

**SE_Max Muller recommends the study of the Chimese grammar. "Those," he remarks "who can take an interest in the secret springs of the mind, in the elements of pure reason, in the base of thought, will find a Phinese grammar in this seize of pure reason, in the base of thought, will find a Phinese grammar ment, and the women have gone over leading strings, trying the muscles of his mind, groping his way, and so delighted with his first successful grasps that he repeats them again and again. Every shude of thought that finds expression in the highly-funished and nlemby-balanced system of Greek tanger. at he repeats them again and again very slunde of thought that finds excession in the highly-fluished and alexanced system of fireck tenses goods and particles can be expressed, and has been expressed in that infant unguage by words that have neither flowerment is a revelation from powers retix nor suffix, nor terminations to include a manufacture of the second of this theme with a volubility that is perfectly astonished to ward a staine to Voltaire with a volubility that is perfectly astonished to ward a staine to Voltaire with a volubility that is perfectly astonished to ward a staine to Voltaire of the manufacture of the manufacture of the manufacture of the present and the content of the manufacture of the manufacture of the second of the manufacture of the m

N. A grocer in France not long ago subscribed toward a statue to Voltaire, "bliot!" said his wife, "what did you do that for?" "Policy, my dear," said he, "policy! I've read somewhere that he's subscribed toward a statue to Voltaire.

"blot for?" "Policy, my dear," said he, "policy! I've read somewhere that he's yery fond of caffee, and porhaps he'll trade with us?"

J. M. Vayonan, Clerk. STATENEWS.

—The number of gillons of whisky in bond in this district sums up 35,05 gallons—stifficient to that a steambeat of the tunnage of the Richmond, or to supply all Kentucky with fiery finide mough for a grand old-fashioned Fourth of July bust, or to inaugurate Christmas morning with an egg-neg.

There is less intoxicating liquor sold and consumed in Glasgow at present than at any period of her exposure ex-stence, "within the memory of the oldest inhabitant," A bloaded face and Horalshot eye is rately seen upon our streets.

Mr. Sicreban, from the street committee, Western district, reported an ordinance from the Common Cornell for improving a part of an alley from South street to 152% feet west, and between Bromlway and Magazine street, being the brist allow oorth of Broadway, which was read a second broo and Jussed by the following vote: Yeas, President Bunes and Messrs, Story, Rubel, Rubld, Crowe, Dulancy, Gies, and Sherldan—S. Nave—none.

WASHINGTON, D. C., Aug. 11, 1868.

known and whose long-cherished friend-ship for the Mexican nation and people has been so publicly and frequently ex-pressed, and assured that these views accord with those of our government-and people in view of the possible good that may result, against my personal, wishes I deem it my duty to accept this difficult, delicate and responsible mis-sion. Inclosed is the required oath, duly authenticated. I shall be prepared to proceed to my post as soon as the yelsomberger, tavern license, compromer to the first solution. Inclosed is the required duly authenticated. I shall be proposed to my post as soon as low fever shall have so far abated to make it prudent to make it prudent for the proposed to make it proposed to make it prudent for the proposed to make it proposed t owners, cofferhouse, Market, be-eventh and Twelfth.

Winters, transfer of Sebastian

capital—say about the 1st day of October ck's tavern license, heridan submitted an ordinance la have the honor to be, your obedient W. S. Rosecrans.

The previous question was sustained y the following vote:
Yeas-President Morris and Mesars, toll, Maxwell, Hughes, Browder, Philips, Brennker, Watson, Thixton, Cas-Ilv, Arkers and Boone-12.
Navs-M-srs. Baker, Trabue, Bowser, aird, Craig and McCulboh-6.
Mr. Passilly's amendment was adoptably the following vote:

the intersection of First and Paldwell excepted their buildings and ground street. An order are improve a portion of the sidewalks on both sides of lampion street, between harcons or the sides of lampion street, between harcons or the sides of the purposes for which the
